.....

O R D E R:-

In the letter fifth read above, the Engineer-in-Chief, PR, A.P., Vijayawada has reported that certain roads and bridges sanctioned under PMGSY-I and RCPLWE could not be awarded due to non response to tender even after 3 to 11 calls at less than or equal to estimated rates. The attempts have also been made to entrust on nomination basis with estimated rates based on the instructions of Ministry of Rural Development (MoRD). During the management meeting held with Contractors, it was reported that they are not able to execute the works which are located interior and in Left Wing Extremist (LWE) areas and due to various difficulties in execution and maintenance of roads for 5 years. However, after continuous efforts made, the contractors expressed their willingness to execute the works with premium (excess) up to 20% depending upon the location of work and situation at the site.

2. The Ministry of Rural Development (MoRD), Govt. of India, New Delhi have categorically issued instructions to award the works by 31st December 2020. In case the works not awarded by said date, the MoRD would freeze the works and the entire expenditure shall have to be met from the State Government for execution of un-awarded works. The time line to award the works has been extended up to 31st January 2021. Even after making attempts to set the tenders within estimated rates in subsequent calls, no bidder has participated. Further, the MoRD have been requested to extend the time line up to 31st March 2021 for award of un-awarded works as they are located in interior areas of Vizianagaram & Vishakhapatnam Districts.

3. The Engineer-in-Chief, PR, A.P., Vijayawada has therefore, requested to accord permission to entrust the following works sanctioned vide G.Os. 2nd to 4th read above, with a cap of 20% (TP) to avoid cancellation of works by MoRD.
